

**RELEVANT EVENT****DATE: 07/02/2013****QUOTING SYMBOL: GCARSO****COMPANY NAME: GRUPO CARSO S.A.B. DE C.V.****PLACE: MEXICO CITY****INFORMATION REGARDING OIL SUBSIDIARY**

Regarding the subsidiary Tabasco Oil Company, LLC (“TOC”), the oil company dedicated to the exploration and exploitation of hydrocarbons and holder of two Hydrocarbon Exploration and Exploitation Agreements in the basin of Los Llanos Orientales located in Northeastern Colombia called Llanos-56 and Jagüeyes 3432–B, Grupo Carso, S.A.B. de C.V. (GCarso) hereby announces the following to the investing public:

“As part of the exploration project for Jagüeyes 3432–B, the first exploration well was concluded. This is a discovery well; therefore, the production testing shall start to confirm whether it is financially viable.”

GCarso, through its subsidiary CARSO ENERGY, holds 70% of the capital of TOC; the remaining 30% is owned by the company Geoprocesados, S.A. de C.V.
