GCARSO gets injunction against the decision of the IFT

Grupo Carso, S.A.B. de C.V. ("GCARSO"), informs the public that following the notice published on March 7, 2014, filed an injunction against the resolution (the "Resolution") of the Mexican Federal Telecommunications Institute ("IFT") of March 6, 2014 under the following main considerations:

1. GCARSO is not a predominant Economic Agent on Telecommunications, since it lacks the essential prerequisite for this, which is to have a concession in this matter, as established by the third paragraph of Article Fourth Transitory from the decree published in the Official Journal of the Federation on June 11, 2013 amended by the Constitution of the Mexican United States in the field of telecommunications.
2. GCARSO is a public company or public stock corporation (S.A.B de C.V.) trading under the regulations applicable to that class of entities, within which are specified, and are public, the sectors and activities developed.
3. GCARSO is prevented to perform activities pertaining entities with concessions on telecommunications, and the measures that the IFT imposed under the resolution is considered unenforceable by the above points 1 and 2 above.
